THE SPY HOP WAY

Founded in 1999, Spy Hop Productions is a highly effective and nationally recognized not-for-profit youth development and media arts center located in the historic Art Space district of downtown Salt Lake City. Spy Hop's purpose is to empower youth to express their voice and with it create positive change in their lives, their community, and the world. Spy Hop's mission is to encourage free expression, self-discovery, critical and inventive thinking, and skilled participation via the big screen, the airwaves, and the Web.

Spy Hop Productions' programs take place in dynamic studio environments where young people of all backgrounds actively engage in the production of their own narratives and solutions to the challenges they face. Each year, independently, and in collaboration with numerous community partners, Spy Hop mentors over 1,000 young people in multiple media arts disciplines including: documentary arts, film and video production, radio, sound engineering, interactive design, and music. The emerging media makers' creative work reaches local, national, and international audiences.

At **Spy Hop**, we envision a world in which all young people are engaged, productive citizens prepared to succeed in life after high-school and whose voices are heard and valued by their families, their communities and the world.

IN AN EFFORT TO ACHIEVE THIS VISION, SPY HOP HAS ESTABLISHED THE FOLLOWING FUNDAMENTAL PROGRAMMATIC GOALS.

- 1) PROVIDE HIGH-QUALITY, SAFE OUT-OF-SCHOOL-TIME PROGRAMMING FOR K-12 YOUTH.**
- 2) FOSTER PERSONAL AND ARTISTIC EXPRESSION THROUGH THE USE OF EMERGING DIGITAL TECHNOLOGIES AND THE MEDIA ARTS.**
- 3) DEVELOP 21ST CENTURY EDUCATIONAL AND WORKPLACE READINESS SKILLS.**
- 4) PROMOTE POSITIVE YOUTH DEVELOPMENT AND SOCIAL EMOTIONAL COMPETENCIES.**
- 5) INCREASE MEDIA LITERACY, PERSONAL AWARENESS AND COMMUNITY AND GLOBAL CONNECTIONS.**
